Gentle in our approach, we know that hydration and effective supplementation are vital in preserving the skin's youthfulness. Never neglecting the sensitive skin under the eyes, dark circles and the importance of working on lifting and plumping up the skin. Preserving the skin and preventing pre-mature aging is our goal during your facial. Including a Collagen Crystal Eye Treatment.

SPIER AFRICAN FACIAL 90 min R950.00

Our treatment starts with a back and neck exfoliation followed by a muscular releasing massage, melting away tension. We know that a stressed muscular system can place much gravity on the facial muscles; often resulting in sagging skin. This treatment is full luxury at its best that involves cleansing, massage and sound therapy, making it a treat not only for your body, but your soul too.
