Awards 2026

Taste good work.
Taste gold.

Our terroir-driven wines are made regeneratively, with respect for the soil and a passion for crafting wines that tell the story of every vintage. Led by Cellar Master Johan Jordaan, our winemaking team works closely with our viticulturists to coax out what Johan describes as ‘gold, from the ground up.’

Our organically certified farm is one of more than 50 WWF-SA Conservation Champions. We are a member of the Wine Industry Ethical Trade Association (WIETA), and our winery is FSSC 22000 certified and follows the Integrated Production of Wine (IPW) criteria.
