Meet in the *heart* of a
Stellenbosch Wine Farm.

MEETINGS AT SPIER

Settle into farm life with a ‘free-range’ meeting at Spier Wine Farm. In a venue perfectly suited to your needs, we’ll take care of you while you take care of business. Just 20 minutes from Cape Town International Airport, you’ll feel far enough away to let your creativity flourish.

Our historic buildings, farm-fresh food, award-winning wines and fun-filled outdoor activities give you space to connect with your team. Regenerative in the way we farm and do business, we’ll make your meeting good in every way. Work well, then break bread together with food that nourishes bodies and minds.

TASTE GOODNESS

Inspired by the seasons and our farm's produce, our menus are strikingly creative and packed full of nutritious flavours. We grow a lot of our own food in the Spier Food Garden, and for what we can't grow ourselves, we partner with local suppliers who share our values. We believe that quality ingredients should not be fussed over. Our chefs prefer simple and timeless cooking methods that transcends backgrounds and generations. Whether picnicking on the Werf or sitting down to a curated dining experience at the Manor House, our food comes from diverse chefs inspired by a shared philosophy. All of our meeting venues have the option of upgrading to a picnic on the Werf, or seated lunch at the nearby Vadas Smokehouse & Bakery.

Please note:

Spier is neither kosher nor halaal-certified. Should guests require strictly halaal catering, we can assist by outsourcing to a halaal-certified supplier at an additional cost. Alternatively, we can provide delegates with a vegetarian option.

GROUP EXPERIENCES

Great ideas are not exclusive to boardrooms. Gather your team and their thoughts, and unpack them picnic style under our old oaks.

Harness the collective energy with a walking meeting surrounded by proteas, deepen your bonds while muddying your hands at the Food Garden, test your skills with wine tastings and a blending competition, view our contemporary art collection or simply soak up the sunshine on a Segway Regenerative Farm Tour.
